Cruising through the Year

Cruising in Style

The students at C.H.S. all have different ways of cruising in style. No matter how they choose to cruise, it usually leaves some type of impression at C.H.S. Sometimes if the fashion or trend is right, it may last for weeks or even years.

One of the most interesting things about cruising is that it has been "the thing" to do for years around Chesnee. Many of our teachers also spent time cruising on Sunday afternoons. Ask Mrs. Scruggs how many people will fit in a '65 Mustang. Some of Mrs. Powell's group might have even cruised the strip while out on a hayride. The only thing that's really different is that the radios seem to be getting louder.

Styles at C.H.S. have also changed with the times. It is interesting to note that the mini-skirt that was popular in the sixties is back in the eighties. Without these different fads and traditional trends, C.H.S. would not continue to cruise along as uniquely as it does.

Just because you have a Coca-Cola sweater is no reason to stick your nose in the air, Kelly!!

Cruising into Retirement

Mr. and Mrs. McDowell, Dr. Jenkins, and Mr. and Mrs. Garner enjoy their retirement party. Everyone had mixed emotions of happiness and sadness. Mr. McDowell and Mr. Garner will be missed by all.

After having served Chester High School for many years, Mr. W. Moody Garner and Mr. L.A. McDowell decided to retire at the end of the 1986 school year. Both men have looked forward to getting some well-earned rest and relaxation. It will be unusual to have time to do the things they have never had time for before. Mr. Garner looks forward to traveling, fishing and hunting while Mr. McDowell looks forward to having more time to farm.

Mr. Garner and Mr. McDowell enjoyed receiving gifts from faculty and friends at a special reception held the last day of school. The faculty presented an oil portrait of Mr. Garner to the school as a reminder of his service and dedication. Dr. Jenkins presented Mr. Garner with a plaque of appreciation and he also received a cooler of steaks from board members. Students and faculty alike will miss Mr. Garner and Mr. McDowell.

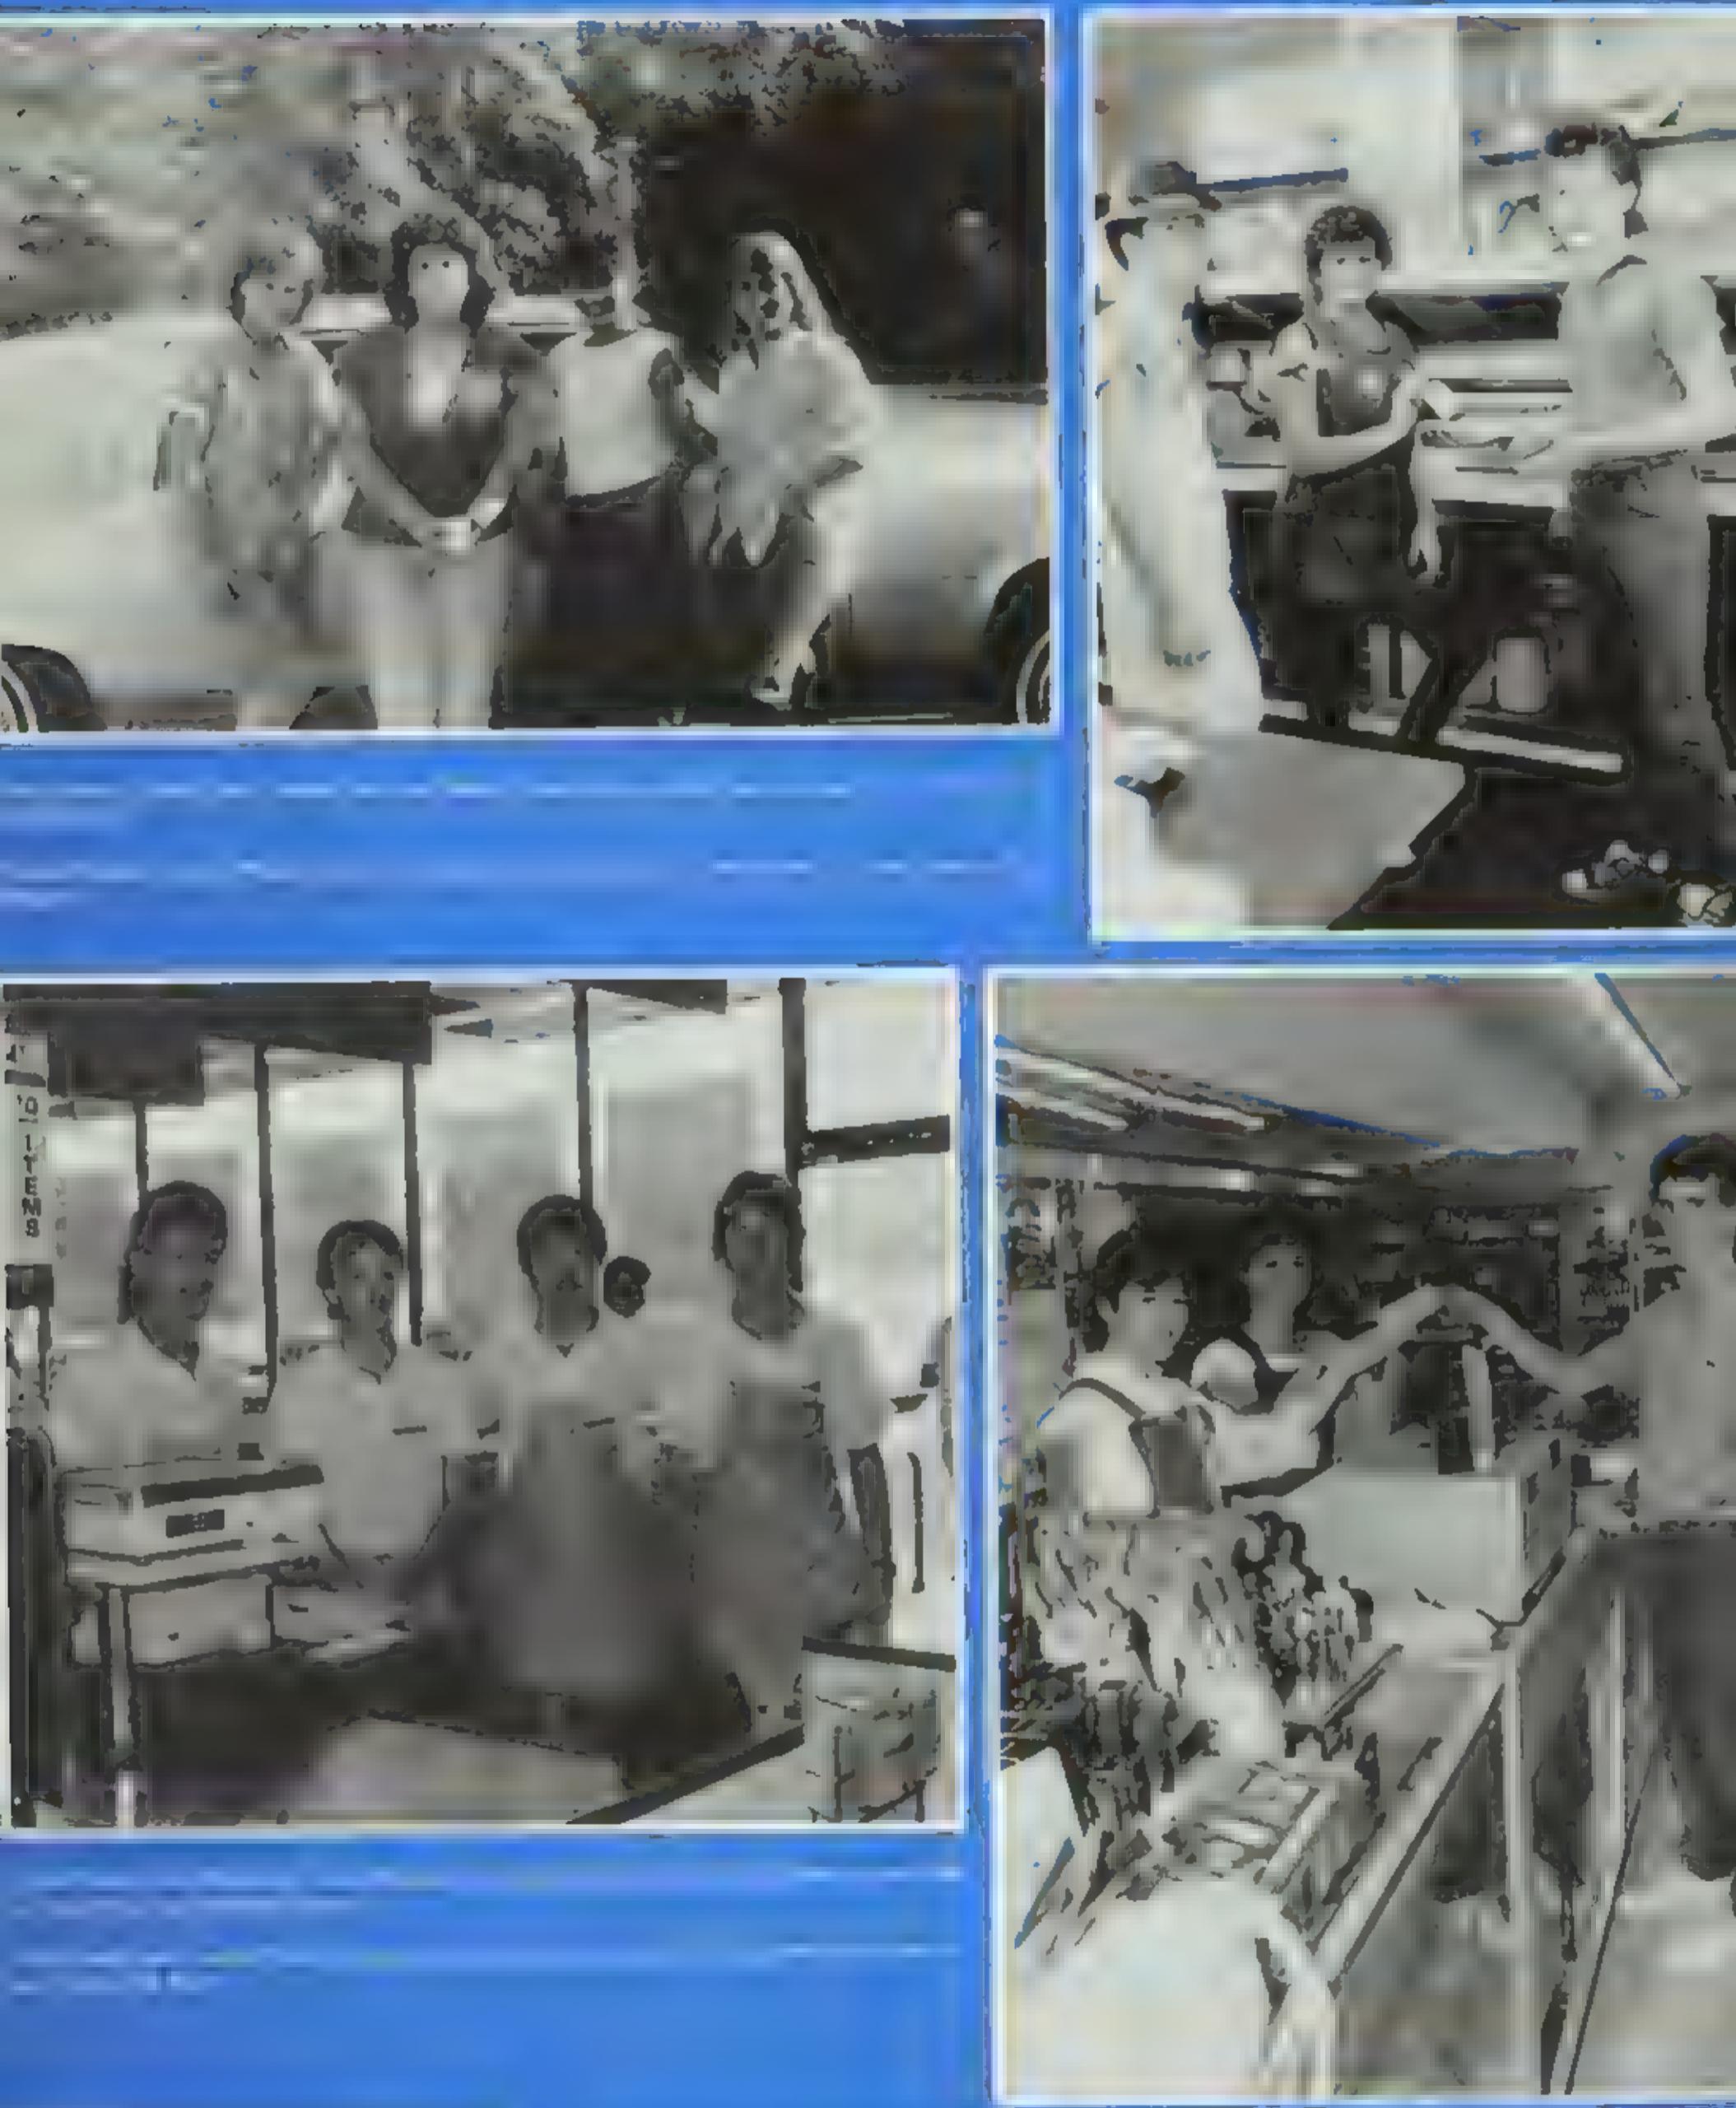

Mr. McDowell proudly displays a gift from the faculty advertising his farm.

NEW PRINCIPAL NEW CHANGES

Mr. Joseph Bullington came to Chesnee High School to serve as our new principal. He is not new to the area because he went to Boiling Springs High School, attended Wofford for his Bachelor's Degree and the University of South Carolina for his Master's Degree in Education. His parents live in Cherokee Springs where his father pastors a church. He and his wife have two daughters who keep them busy. His wife is a nurse at Spartanburg Regional Health Center.

Making the decision to come to Chesnee was not difficult for Mr. Bullington. He was immediately impressed with the quality of education offered at Chesnee. He likes the size of CHS because he feels most students and teachers get to know each other better in this size school. Some of the things Mr. Bullington likes best about Chesnee are "the quality of the students, the politeness of the students, and the willingness of the teachers to cooperate."

While no major changes have taken place, a few things have changed this year. One thing that has taken some getting used to has been the two lunch periods. Mr. Bullington feels this was one of the changes that took place out of necessity because of the growing size of the student body. Another change he has encouraged was eliminating so many class interruptions over the speaker. He has also encouraged active involvement of parents in making suggestions. He has established an open-door policy and has remained available for conferences with parents, teachers, and students.

One of the most important things to Mr. Bullington is his family. Pictured below are his daughters Page and Emily. They are definitely enough to keep him busy while he is at home. When asked about his hobbies, he said he enjoys experimenting with cooking and his daughters and wife were usually willing to be his honest critics. Some of his specialties are seafood and Chinese dishes. He especially enjoys trying new recipes with fresh summer vegetables.

Mr. Bullington gets acquainted with students during lunch break. He enjoys learning the students by name and is very good at remembering the names when he sees the student again

Mr. Bullington smiles as he anticipates the new year at Chesnee. You also see that smile as he watches students as they change classes

Mr. and Mrs. Joe Bullington
Misses Page and Emily Bullington

Mr. Bullington and Mrs. Scruggs discuss school policies and special senior activities. He is anxious to get opinions about most activities before he makes final decisions. One of the most significant changes he made for seniors was directing the senior ring and recognition service. The one thing he wants is for every senior to be able to graduate so he encourages monitoring senior grades throughout the year

SUPPORT PERSONNEL

Without all these very important people, our school would not run as smoothly as it does. Being a secretary is not just paper work and records. It means taking time to deal with students checking in or out, checking records and grades, and typing letters for teachers and administration. Without a doubt, things could not get done without their hard work and dedication to their jobs. Serving as head secretary seems easy for Jerrie Henderson but it is just because she does such a good job of taking care of business in the office and for Mr. Bullington. Many times she has the answer to problems for teachers, administration, and students.

Lunchroom workers are always here early in order to have lunch ready on time. Most of the time everyone is too busy to say a simple "Thank You" for all they do. We do want them to know we appreciate their dedication. Preparing the food is not all they have to do. They spend a lot of time serving and cleaning. Mrs. Fran Jolley also has the responsibility of co-ordinating the budget and menu. Ordering supplies makes her job as manager a challenging one.

Sometimes it's difficult for students to picture teachers anywhere but the classroom. It's also hard to believe that teachers were ever under the age of twenty. Having a social life and time to relax is necessary to the survival of teachers. Being able to laugh at themselves and laugh with others enables the teacher to be seen by students as a friend as well as a leader. Teachers learn in a hurry that a smile goes much further than a cross word or sour attitude.

DEDICATION '87

IF I COULD

I would teach each child to be positive, to smile, to love and to be loved

I would teach each to take time to observe some miracle of nature — the song of a bird, the beauty of a snowflake, the orange glow of a winter sunset.

I would teach each child to feel warmly about the peers for whom the task of learning does not come easily.

I would teach each one to be kind to all living creatures and to crowd out of their lives feelings of hate, misunderstanding, and lack of compassion

I would teach each child that it is O.K. to show their feelings by laughing, crying, or touching someone they care about.

Everyday I would have each child feel special and through my actions, each one would know how much

I REALLY CARE.

Below we find a photograph that the Senior Class of 1987 dedicates this edition of "The Eagle" to a very special friend and teacher, Mrs. Louise P. Scruggs. She has had the rare opportunity of teaching most of the seniors at least once in our little school. Some of the seniors have had her as many as three years for English. The above photo captures her smile, her dedication and her attitude toward all students. Special congratulations to a teacher we will remember as a positive influence simply because she really does care about us.

Homecoming

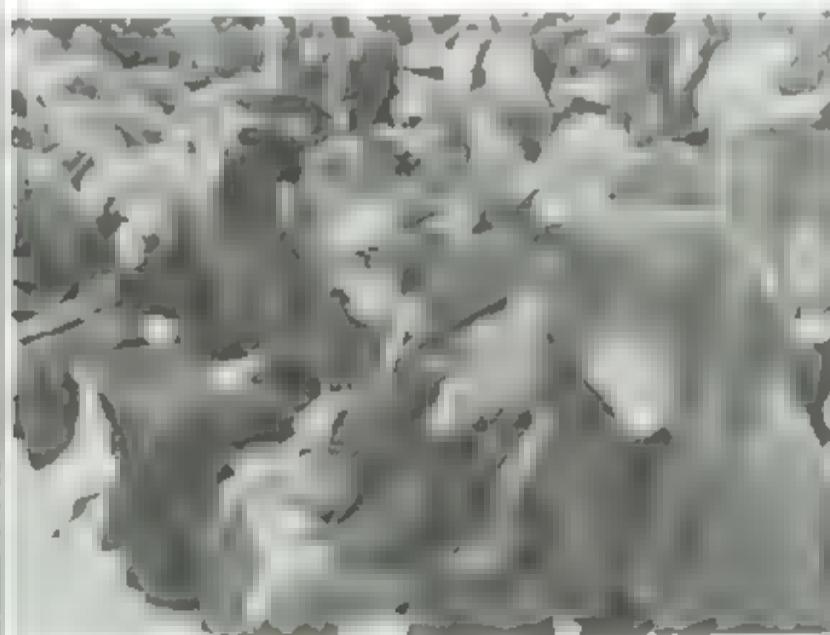

Homecoming at C.H.S. was very special this year. Many activities were planned for the students during the week of homecoming in order to get the students in the spirit. Some of the activities included tacky day, classy day, mourning day, door decorating, a pep rally with a mock funeral, and a dance after the football game on Friday night. Although it took a lot of preparation to make this a successful week it was well worth the effort to see the students enjoying themselves. The victory for the Eagles made this an even better homecoming for the students at C.H.S. A special thanks goes to all the people who worked hard to make Homecoming '86 the best yet.

New Faces From

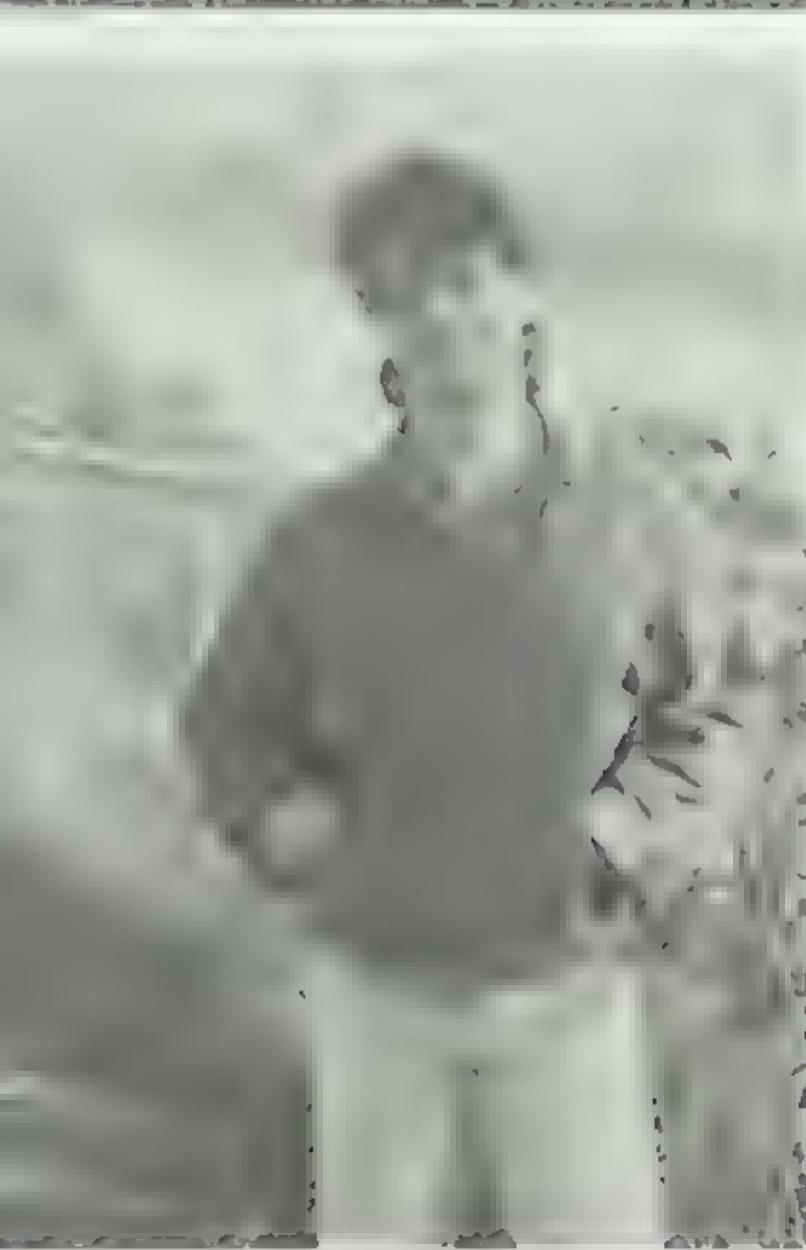

New Friends and Family

Being an exchange student is just as new to Marijke Glas as having an exchange student is to Chesnee High. The good part about the whole experience is that everybody is learning a lot! Marijke is from Holland and has always wanted to experience the culture of the United States. The Ray Cantrell family in Chesnee has often thought of how interesting it would be to have an exchange student living with them. It was a perfect match-up. Marijke considers the Cantrells to be her second family. She has learned many things since arriving here. One of the most interesting things she's experienced is Hot Dogs! They have become one of her favorite foods. Adjusting to school has not been too difficult. She is an excellent student and is eager to learn. Her trusty dictionary has explained many things. She uses it less and less because she is used to us now! Her stay in Chesnee has really been educational. She will take back many memories to Holland and we will remember her as a very special friend. She is the classic example of the statement "a smile is understood in any language."

Far Away Places

Being an exchange student has been interesting to Hernando Suarez. He is staying with the Curt Lancaster family in Chesnee. He finds life in our small community very different from life in his native Columbia. He has found that most teenagers in his country are more alike than they are different. He enjoys sports of all kinds and especially likes soccer and football. Although studying is not his favorite thing, he enjoys attending CHS

Although the language barrier was a little more difficult to overcome than he expected, Hernando was lucky to be able to call on our new Spanish teacher for assistance. Mr De La Torre found his job of helping to be a pleasure. It gave him a chance to use his native language with someone who did not have that "southern drawl" for which we are famous. Just as Marijke, Hernando will carry many memories home.

Christmas Spirit . . .

The Christmas parade is always a major event for every age in Chesnee. It's a time for our own band to lead the way and show their true colors. It's a time for children to share their excitement. It is a time to show our patriotism. It is a time to put our best foot forward. Most of all, it is a time for us to enjoy meeting friends and remember the true meaning of Christmas.

The City of Chesnee and the Merchants Association sponsor the parade and make arrangements for floats. Thanks to these special people for keeping the Christmas spirit alive.

... Catch It!

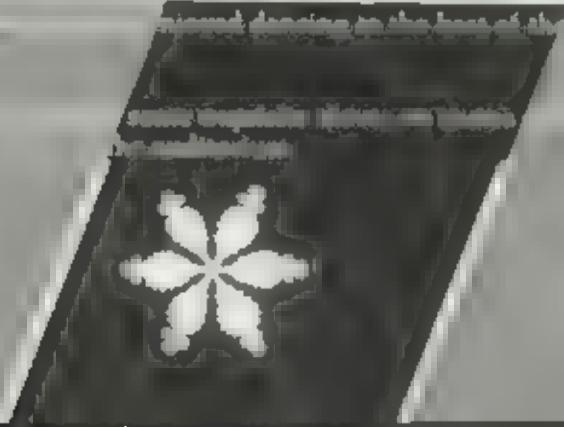

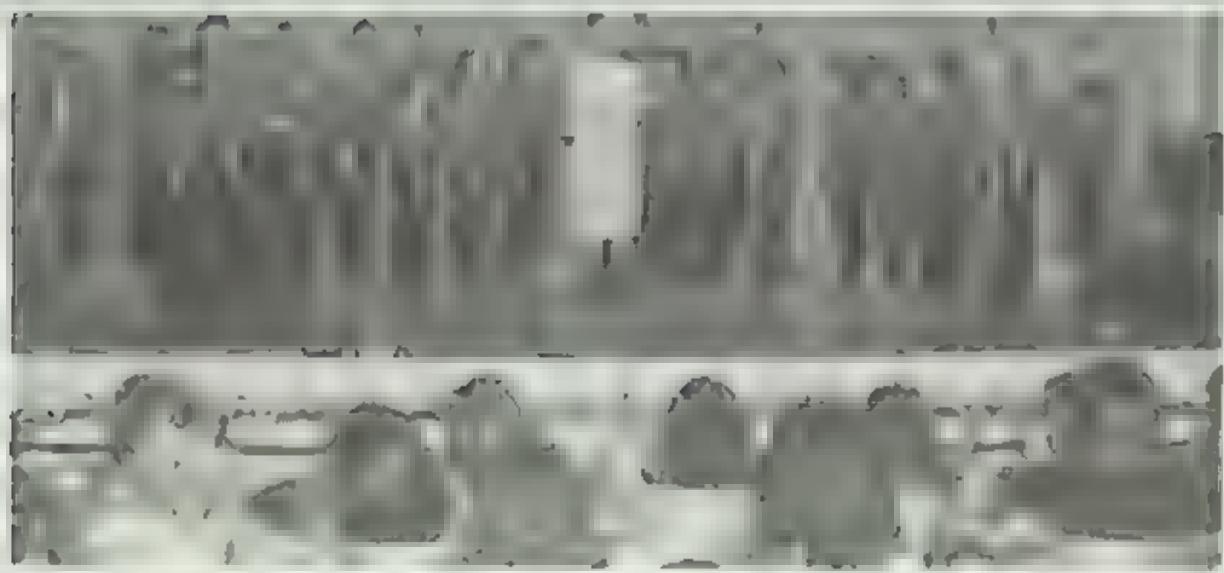

The parade is one of the most exciting things that happens in Chesnee. It kicks off the shopping season for the local merchants and gives them the opportunity to wish all their customers the happiest of holidays

"Love on a Carousel"

Last April, the juniors sponsored the 1986 Junior-Senior Prom featuring the theme of "Love on a Carousel". The sponsors and the art classes worked furiously to complete the decorations before the big night arrived. The prom turned out to be one of the most successful proms we have had in the past. It was a very special night with special friends and it will always be remembered. A special thanks goes to Miss Annah Laura Browning and Miss Brianna Lyn Hammett for allowing their mothers to assist the juniors in decorating up to the last minute.

Graduation
'86

Bidding Fond Farewells

GRADUATION ... meant an ending and a beginning for the Seniors of 1986. As the seniors prepared for an emotional day, many thoughts and questions ran through their minds: "I can't believe it!" "Will you keep in touch?" "Can we make it in the real world?" and "Is my cap on straight?" The questions and doubts were soon replaced by hopeful anticipation, as they realized all their hard work had finally paid off. CONGRATULATIONS, CLASS OF '86!

The seniors listen quietly to the final words spoken to them in the closing moments of the graduation ceremonies.

Salutatorian Deana Henderson addresses the graduating class of 1986 with a touching farewell speech.

After the graduation ceremonies, seniors were invited to a tea sponsored by the student council.

Chesnee's football program was very successful this year. The varsity team had a 6-4 record, which was their first winning season since 1978. The junior varsity team had a 4-3 record, and the eighth grade team remained on top for their third straight undefeated season. This also gave them their third straight Foothills Conference Championship. All of the teams were very devoted, practiced hard and made their work pay off. COMING ALIVE AT CHS

Creating a new team at CHS can be almost impossible. Many obstacles had to be overcome to create the Lady Eagles Volleyball Team of 1986. The gym floor was refinished over the summer and the team could not practice. Uniforms were ordered but the wrong ones were sent. Equipment was not received until the day of the first home match and Ms. Finger had to line off the floor before they could play. Summer practices took a special effort from the team members and the coach because they had to meet at the Cooley Springs Baptist Church gym. Despite all the problems and delays, the team is well on its way to being an established sport at Chesnee High School.

According to Ms. Finger, the team shows promise of being successful in the future. As always, a new sport in the program takes a while to build interest and potential. "We have had several injuries to contend with and we've had to work out many problems. It's been fun and I believe we will be successful," commented Ms. Finger.

The Tradition Continues

Chesnee's baseball program continues to excel as both the B-team and Varsity posted outstanding records for the 1986 season. The B-team, coached by Dale Campbell and Rick Leonard, had a record of 11-3. Two of these loses came in the first three games, after which the team won 9 out of the last 10 games. "It was an outstanding effort on everyone's part," says Coach Leonard. "We knew we could win," adds Coach Campbell, "it was just a matter of going out and proving it."

The Varsity Baseball team, under the supervision of Dean Jones and Mike West, posted a record of 21 wins and 5 loses. Only one of those loses came during the regular season. "It was a team effort," Coach West comments. "Everyone on the team contributed," Coach Jones commented. "1986 was a good year for baseball because we had a great group of kids who really worked hard to be the best they could be."

STUDENT COUNCIL

Each year the student body elects four students they feel capable to lead them through the school year. These four students organize the dances, sponsor a needy family during Christmas, and suggest new ideas to make Chesnee High School a better place to be. They also work closely with the principal to improve the school's image and spirit. Being elected as a student council officer is an honor as well as a big responsibility. Thanks for a job well done.

Art and Library Clubs

Painting the town

Decorating, painting faces and making buttons are the CHS Art Club's main activities. Throughout this year they have encouraged the Eagles to victory with their spirit buttons and painted faces. The art club consists of senior Art III and Art II students. The club has twelve members and Mrs. Janis Browning sponsors the group. The club will also play a major role in decorating the gym for the prom. Work has been displayed in the district office and in competitions.

Read All About It

Overdue books, gum in the carpet and helpless students all keep the Library Club busy. Without these library helpers how would we ever find the card catalog? This club is a very useful part of our school. They assist students in finding books and keep the library neat and orderly. Mrs. Kathy B. Hord is the sponsor. The club participates in the state conventions and projects sponsored by the department of Education.

Officers: Sherry Hollingsworth, Laura Price, Lisa Roberts, Stacie Avery, Shelly Cox, Diane Roff

Mrs. Nancy Melton, Mrs. Carol Davis, Mrs. Margie Johnson

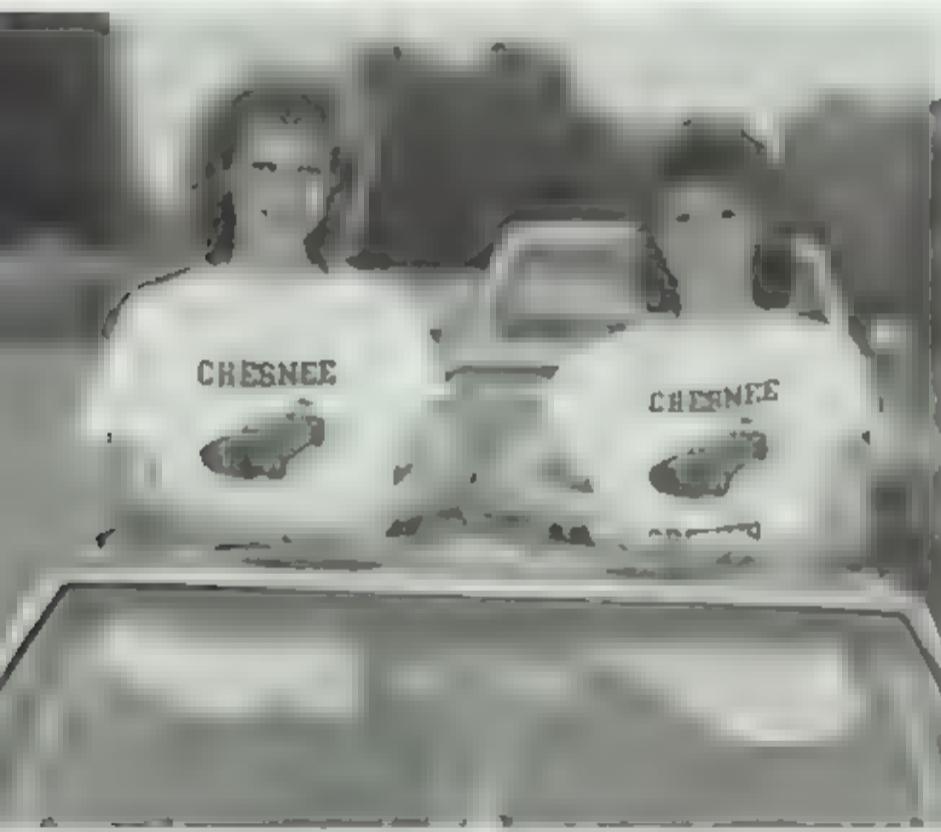

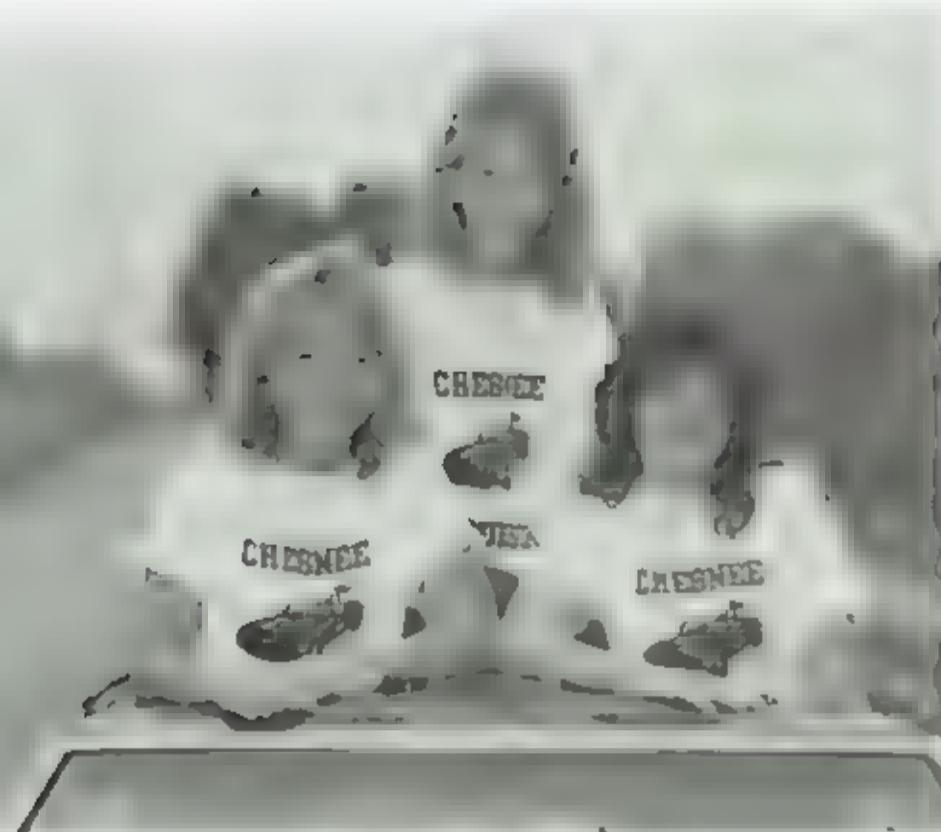

Forty-six students received invitations to be in the Chesnee High School Mu Alpha Theta National Math Club. This is an organization which has as its main purpose the stimulation of interest in math. Students also receive public and national recognition of accomplishments. There are now over 1200 chapters in the United States, Canada, Japan, Switzerland, and Germany. To become a member of the club, you must maintain an overall "B" average in college prep math. Members of this club will be exposed to career opportunities in math-related fields. They will attend club sessions that place emphasis on higher level thinking in relation to math skills and use. Because this is a new addition to activities at CHS, students and parents are encouraged to inquire about membership and participation in special activities. Participation in such organizations has certainly emphasized Chesnee High School's effort to compete with other area schools in course offerings and student achievement.

Mr. and Miss Congeniality

Each year the student body selects two boys and two girls who are named MR. and MISS CONGENIALITY. These students are chosen for their outstanding personalities and friendliness toward their classmates and teachers. These four students are indeed honored to be chosen by their friends for this title. Congratulations to Ted, Deana, Patricia, and John

S E I L P C A P E O P L E

Amy Wilkerson is a professional model for Take Two Studio.

Sometimes we don't take time to find out what makes each student at CHS so special. It may be that they are outstanding in the vocational training courses, it may be that they are winners when competing on the runway, or they may be hard-working on their jobs. No matter what each student does, each is special and unique in his own way. Each of these students has a special dream or career in mind and the things they do while still in school are important to what they have planned for the future.

Tim Smith is unique in that he has worked part-time for Coach Jones since 8th grade.

HOME COMING QUEEN

The student body elected Miss Deana Stacey as the 1986 Homecoming Queen. Deana is a junior at CHS and the daughter of Mr. and Mrs. Doug Stacey. Deana was sponsored by senior football player Tim Hord and escorted by her father. Deana is the co-captain of the varsity cheerleading squad and was also selected as Miss Congeniality and junior class personality. Sophomore Missy Smith was selected Maid of Honor and senior Patricia Baxter was first runner-up.

Homecoming is a special event at CHS. Students showed their spirit by having Tacky Day, Classy Day and Mourning Day. This year we were especially lucky to have Adena Cash, the 1976 Homecoming Queen, with us. She participated in the activities and crowned our 1986 Homecoming Queen.

A very proud Doug Stacey escorting his daughter Deana, the 1986 Homecoming Queen.

Congratulations to these former athletes of Ches-
nee High School. It is truly an honor to be remembered
by the school, community, and friends as having been
a positive influence and contributor to the sports pro-
gram at CHS. While sports has changed dramatically
through the years, the dedication, team effort, and
energy required to "be a winner" has remained the
same. These outstanding athletes will always be win-
ners in the eyes of CHS

SPECIAL RECOGNITION!!!

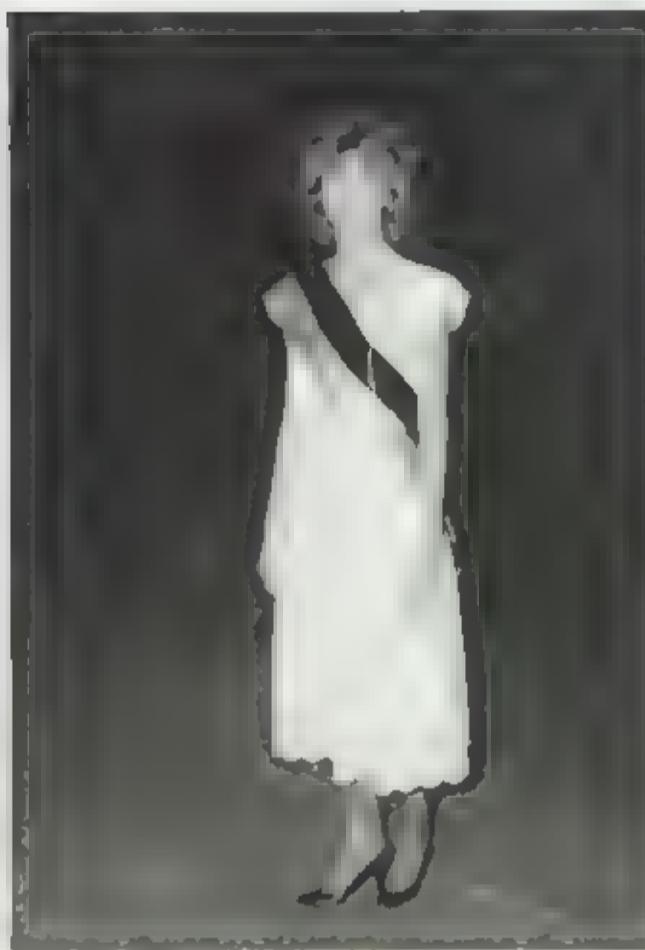

This was Mr. Garner's last year and he was presented with a special jacket. For years he was "Mr. Football" to the community of Chesnee. It is appropriate that Mr. Jim Wolfe, representative for Sam Wyche Sports World, present Mr. Garner with jacket sporting the well earned title of "Mr. Eagle". The title represents his work in sports as well as his work in the school and community.

Each year, the top six students in the eleventh grade are chosen to serve as Junior Marshalls. Being a Junior Marshall is quite an honor and accomplishment. Along with the recognition of being an outstanding student, serving as a Junior Marshall also means fulfilling specific duties and obligations. Among these duties are serving as hosts for the Senior Reception and assuming the role of ushers for the baccalaureate and graduation ceremonies.

SLEEPING . . . teachers hate it, but always try to be understanding. Students never seem to get enough and often try to squeeze in a quick nap at the end of class or during a lecture. Whether because of work, football practice, or watching too much TV, students always seem to be sleepy. A few teachers have even admitted that they could use a little extra sleep. Most of them spend late hours grading papers.

According to teachers, the most effective deterrent is a zero for a class when the student will not stay awake. Some teachers have let students sleep through class change. This can be very embarrassing for the student when he wakes up in the middle of a class where he doesn't belong. He also has to think up an excuse for the next class.

CLASSROOM ACTIVITIES

Mock weddings, welding projects, and special teachers hold the attention of students. Classes at CHS are as varied as the students and teachers. Having these projects keep courses interesting for the student and the teacher.

Monica, Tim, David, Billy, Beth, Mary, Jenny, Karen, Nat, and Jeff express their creativity during art class

Beth Wood adds the finishing touches to her assignment
Robbie Scruggs uses his imagination to create "a work of art"

David Walker invents a pair of shades that expresses his individual personality. Monica Jolley gets Kelly Smith ready for a pep rally

Monty Huntley Regional Manager

It's been a long time since Automotive Refrigerated Air first started operations in that Fort Worth cattle barn. Today, ARA is the largest independent manufacturer of automotive accessories in the world. And the reason is simple. At ARA, we make more of a car. When it comes to acting and looking like original equipment, nobody beats ARA!

AIR CONDITIONING

SOUND SYSTEMS

ARA's Custom Series audio products are as pleasing to the eye as they are to the ear.

At ARA, we specialize in after market A/C with that "factory-air look." Our units duplicate the factory installed units in every respect. And their acceptance in the market place is universal.

ARA PARTS/TOOLS

We offer immediate shipment on parts and the same quality of engineering you've grown to expect from ARA. We're proud to offer you the most complete line of automotive A/C and heater replacement parts, and tools for aftermarket O.E.M., or factory-installed units.

CELLULAR TELEPHONES

ARA, always aware of customer demands, is a market pioneer in mobile communications-a leader in the industry, offering a full line of state of the art mobile and portable cellular telephones with nationwide service.

ARA POWER DOOR LOCKS

Security is easy with ARA Power Door Locks. They fit both 2-door and 4-door vehicles and they operate with easy fingertip control.

ARA POWER WINDOWS

Finally, a power window system that rivals factory installations. With ARA's unit, either the driver or the passenger may raise or lower both front windows.

DEAR LOUISE,

ALL WE CAN SAY IS "Whew!" THANKS FOR
LETTING US FEAST UPON THE BEAUTY OF THE
LADIES OF CHESAPEAKE HIGH SCHOOL. WITHOUT A DOUBT,
THE MOST BEAUTIFUL WOMEN IN THE WORLD.

AS WE SAY HERE AT "KISS-FM", IT'S A DIRTY
JOB, BUT SOMEBODY'S GOT TO DO IT.

NOW, HOW ABOUT Names AND Phone

The Beginning and End of a Memory

Cruising through the year of 1986-87
has been "business as usual" for most students at CHS
For the graduating class of 1987,
it has been the final lap of a race begun in 1982

- For some it has been a race full of obstacles to overcome.
- Picking up extra units.
- Applying for jobs.
- Receiving college acceptances.
- Passing final exams.

For some, the race has been a social event
full of fun, laughter, and tears.
Meeting new friends.
Establishing relationships.
Dating someone special.
Supporting the Eagles.

For some, it has been a personal challenge
and means of self-realization.
Learning new facts.
Polishing skills and talents.
Understanding the real world.
Dreaming of the future.

For everyone it has been a year of CRUISING
through faded memories to a new beginning.

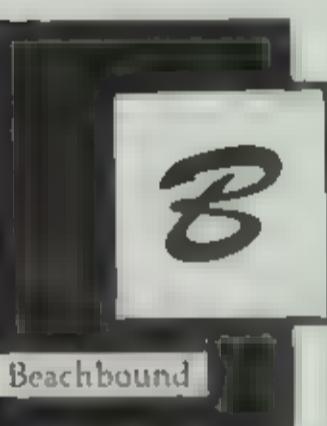

Trey a look start hopes you enjoyed your journey through the year. It is with pride and affection we offer you the 1987 Eagle. We hope that as you relive the memories of the past year that you also remember the special friends you found at CHS.
